Michael Mondavi

Vision

M by Michael Mondavi Family embodies Michael's life-long vision of excellence, expressed in this exceptional wine.

Michael's son and Head Winemaker Rob Mondavi, Jr crafts M by Michael Mondavi Family to "express the balance personified by the great Bordeaux houses, while embracing the rich opulence and plushness of Napa Valley." Winemaker Sabrina Massola brings her expertise to the blend, inspired by Michael's palate and guidance.

Cesare Mondavi instilled in his grandson Michael the importance of leaving the land healthy for future generations. As a result, the vineyards for M by Michael Mondavi Family are sustainably farmed with a focus on biodiversity, allowing each vineyard block's unique attributes to shine through.

Only the best barrels are selected to create this very limited proprietary red blend, featuring the Mondavi family's hallmark cabernet sauvignon. While enticing and enjoyable at release, additional cellaring will allow for further maturity and refinement.

Michael's inspiration, integrity, and relentless work ethic helped elevate Napa Valley wines to the prestige and quality they are known for today. His legacy continues with M by Michael Mondavi Family, his very personal signature wine.
