WINES OF 2023

"Susana Balbo and her team chose Gualtallary for the Nosotros bottling in this warm vintage. There is huge breadth of complexity to the nose with graphite and tarry black and blue fruit. Dark minerals and a hint of cocoa powder and cigar box. Full-bodied and juicy on the palate with lots of broad-shouldered, fine-grained tannins. Intense, concentrated and incredibly persistent. Minerals in the end. Drinkable now, but better from 2026."
